

Instrument Horn Drive

Horn Drive

- Swicegood Music Company will be at East Chamber's Band Hall on **Wednesday August 26th from 3:00-6:30 P.M.** You are encouraged to attend the horn drive to receive information about renting/buying the instrument your student will be playing. Swicegood will have instruments with them on this day!!

If you already own an instrument

- If your student already owns or has access to an instrument please bring to the band hall as soon as possible so we can ensure that it is of high quality and will set your student up for success in band. We will be able to make recommendations on whether it is already in playing shape or whether it needs repairs.

Specialty Instruments

- Certain instruments are provided by the school, but students are encouraged to purchase a mouthpiece. A high quality mouthpiece can make a world of a difference. If you have any questions about this please feel free to ask.
